Mystery Day Trip Thur 12th September & Fri 13th Sept

Where did Tuncurry Coach Tours go for their Mystery day trip?? With 2 full coaches, we took 64 passengers to 3 different Mystery locations. Our first stop was to the beautiful Abundance Nursery at Sancrox. Even though the rain drizzled, this didn't stop us from enjoying our coffee and scones and purchasing a few lovely plants from the nursery. About an hour down the road, we followed the Oxley Hwy up to Mount Seaview. The scenery was spectacular and made a nice change from the freeway drive. After a home cooked lunch with a little history talk about the area and a wander by the fresh water streams, we boarded the coach again for our final leg of our Mystery day. A chocolate and wine pairing experience at the Bago vineyard completed a full day of the unknown!! A couple of fun activities such as the Mystery bag game made for a little bit of extra fun to top the day off too. Thanks to everyone that joined us.

Sunset Boulevard at the Opera House

Wednesday 25th September 2024

Another full coach headed down to Sydney for the production of Sunset Boulevard at the Opera House. Sunset Boulevard weaves a magnificent tale of faded glory and unfulfilled ambition. Having been discarded by Hollywood with the advent of "talkies", legendary silent movie star Norma Desmond is tortured by her longing for a return to the big screen. When she meets struggling Hollywood screenwriter Joe Gillis in a dramatic chance encounter, their subsequent passionate and volatile relationship leads to an unforeseen and tragic conclusion. Norma Desmond is one of musical theatre's greatest roles and it requires a true legend to fill her shoes.

Today we will have a **two hour guided tour of the heritage site**, where you will be entertained with stories of the characters and activities at Tocal over the past 200 years. See the barn the Colonial Architect design, hear about a lad who went on to become Captain Thunderbolt and learn about a wealthy businessman's vision to change the lives of destitute children. The tour involves a moderate amount of walking on level gravel and grass and you have an option of going upstairs to view the upper floor of the house. You will also be able to see the unique architecture of Tocal Agricultural College and enjoy an informative guided bus tour around the working enterprises on the Tocal farms. **Lunch is included with the guided tour** and is a traditional farmer's baked lunch, with dessert and tea or coffee, served in the College Dining Hall. The Kimberley's are one of the most visited destinations in Australia and the availability of these remote areas is extremely limited due to the short time frame that you can visit the area safely. The Top End of Australia, from Western Australia to the Northern Territory, was made for postcards. The yawning gorges, mirror-like waterholes, immense rock formations, wild national parks... All wrapped in millennia strong First Nations culture that guides any tour through the region. With our hosts from AATKings and their accredited guides to take us to the remote and exclusive sights within the national parks, we are destined for one of the most memorable tours that we have ever done. Our tour starts in Broome and ends in Darwin with stops at El Questro, Fitzroy Crossing, Kununurra, Halls Creek, Emma Gorge & Katherine and includes a special dinner under the stars. This is super exciting!

2. Guests must advise Tuncurry Coach Tours, at time of booking, of any physical, medical or other additional needs that require accommodating. At this time, Tuncurry Coach Tours will discuss the tour requirements with individuals. Tuncurry Coach Tours may exclude an individual from participating in a guided holiday or an activity if the individual's participation poses a threat to the health or safety of others. This decision, made solely by Tuncurry Coach Tours, to exclude an individual will be based on an individualised assessment based on reasonable judgment that relies on current medical evidence or on the best available objective evidence to determine the nature, duration and severity of the risk, the probability that potential injury will occur and whether reasonable modifications of policies, practices or procedures will mitigate the risk. No refunds will be given if the decision is made to exclude a guest.
3. Tuncurry Coach Tours do not provide personal devices (such as wheelchairs, hearing aids or prescription eyeglasses) or services of a personal nature (such as eating, toileting or dressing). A traveller who requires services of a personal nature (eating, toileting or dressing, as examples) should strongly consider bringing a companion to provide such assistance and must understand that fellow passengers or Tuncurry Coach Tours staff will not be available for such purposes. Tuncurry Coach Tours cannot guarantee disability access or accommodation for guests travelling on guided holidays.
4. Regrettably, motorised scooters are not allowed on guided holidays.
5. Some guided holidays include rough terrain, extensive walking over cobblestone streets, uneven pavement, steps and/or locations which may not be easily accessible by wheelchair & walkers. Please read the full itinerary before booking a tour.
6. For all overnight tours, you are required to be physically and mentally independent and manage your own luggage. If you require a walker to assist your walking, you will need to travel with a companion that can assist you with your physical needs and requirements. Tuncurry Coach Tour staff and fellow passengers are not trained to support people with limited mobility.
7. Travel times on our trips vary from day to day depending on the destination. For your comfort we make regular stops and try to keep each section no longer than 2 hours. However, depending on your medical history, some people may be at risk of discomfort or deep vein thrombosis (DVT) if they remain immobile for a long period on a journey. If you have had DVT, pulmonary embolism, a family history of clotting conditions, cancer, or treatment for cancer, stroke, heart or lung disease, or if you have had major surgery in the past three months, we recommend you consult your doctor before travelling.
8. All passengers will be required to fill out a Tuncurry Coach Tours Medical Form for all overnight trips, which can be used in an emergency situation, where an ambulance/medical specialist may need to be accessed. It is recommended that passengers carry any medical scripts/medications that may be used in an emergency whilst on tour.
9. Should an accident or incident occur, Tuncurry Coach Tours crew may administer first aid. A defibrillator is at all times carried on board our coach and may be used in the event of a major medical emergency to which clothing may need to be removed.
